

### REMARKS

Claims 1-3, 12-14, and 28-35 are pending in the application. Claims 1-3 and 12-14 have been allowed. This amendment supplements the amendment filed on June 8, 2004 and corrects the format of the amendments to comply with 37 CFR 1.173.

#### Amendments to Claims

Claim 14 has been amended relative to the patent to be reissued in accordance with M.P.E.P. §1453. Because claim 14 was added during the reissue, the currently amended claim is entirely underlined.

Claims 28-35 were added in the amendment filed June 8, 2004. They are now presented in the correct underlined format.

#### Conclusion

It is respectfully submitted claims 1-3, 12-14, and 28-35 are in condition for allowance. Should the Examiner deem that any further amendment is desirable to place this application in condition for allowance, the Examiner is invited to telephone the undersigned at the below listed telephone number.

Respectfully submitted,

David M. O'Dell
